Sub : Simulator Based Training Course on “**Operation, Control and Optimization of Modern Precalciner Kilns**” to be held at NCB-Ballabgarh from **18-21 December 2018**.

CALL FOR NOMINATIONS

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a four-days Simulator Based Training Course on **Operation, Control and Optimization of Modern Precalciner Kilns** at our **Ballabgarh Unit** commencing from **18-21 December 2018**.

The course aims at imparting an understanding of the precalciner kiln behavior and ways to stabilize kiln operation and achieve optimal performance. It is designed for burners, kiln/central control room operators, supervisory and managerial level personnel of modern precalciner kiln plants. A brief note setting out the course contents, venue, fee etc is enclosed for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience and exchange of ideas.

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before **12 December 2018**, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully
for National Council for Cement and Building Materials

Dr. N K Tiwary
