Sub : Training Programme on “**Role of Construction Chemicals on Performance of Cements**” to be held at NCB-Ballabgarh from **07-08 March 2019**.

### CALL FOR NOMINATIONS

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a two-days Training Programme on **Role of Construction Chemicals on Performance of Cements** at our **Ballabgarh Unit** commencing from **07-08 March 2019**.

The course aims at imparting knowledge on role of construction chemicals on performance of concrete. It is very much useful for process and quality control professionals of cement and concrete industry as well as professionals working in cement applications. A brief note setting out the course contents, venue, fee etc. is enclosed for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience.

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before **26 February 2019**, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully  
for National Council for Cement and Building Materials

Dr. N K Tiwary
