Sub : Training Programme on “**Advances in Concrete Technology covering Use of Admixture, Self Compacting Concrete and High Performance Concrete**” to be held at NCB-Ballabgarh from **17-19 April 2018**.

### **CALL FOR NOMINATIONS**

Dear Sir/Madam

NCB's Centre for Continuing Education Services (CCE) is organizing a three-days Training Programme on **Advances in Concrete Technology covering Use of Admixture, Self Compacting Concrete and High Performance Concrete** at our **Ballabgarh Unit** commencing from **17-19 April 2018**.

The course aims at equipping the participants with the recent developments in concrete technology like use of admixtures, self compacting concrete, fibre reinforced concrete, high volume fly ash concrete etc. for concrete construction practices. It is designed for Civil Engineers, Site Supervisors, Concrete Technologists and Personnel concerned with construction of civil engineering works. A brief note setting out the course contents, venue, fee etc is enclosed for your perusal. The programme will bring together the professionals of various organizations from all over the country to share their experience and exchange of ideas..

We hope you will find the programme beneficial and nominate as many participants as possible from your esteemed organization. Please send us the nominations well in advance, preferably before **11 April 2018**, by returning the enclosed enrolment form duly completed, as it will help us to plan and conduct the programme in the best possible manner.

Thanking you and assuring you of our best services.

Yours faithfully

For National Council for Cement and Building Materials
