

Pre Indent Conference Notice

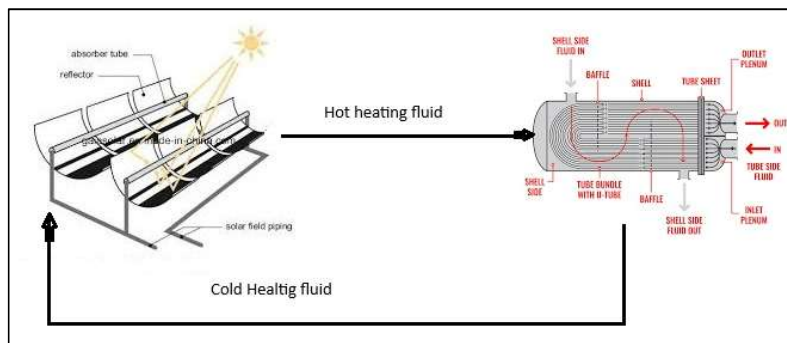

National Council for Cement and Building Materials (NCB) is the premier body under the administrative control of Ministry of Commerce and Industry, Govt. of India with the objective to promote research and scientific work connected with cement and building materials trade and industry.

NCB is in process to install a solar thermal energy based setup at their Ballabgarh premise for targeting medium temperature application (250-400 °C). The system shall be PTC based and end application will be patch type heating a solid material for 04 Hours @ temperature >250 °C consistently. Thermic fluid and other accessories must be capable to raise the temperature initially from ambient to 250 °C within 04 hours' duration. A basic sketch of scheme is provided here for quick reference.

The indent shall be floated on GeM portal very shortly along with desired technical specification and other administrative terms.

Accordingly, a Pre-Indent Conference" (PIC) meeting is scheduled on 14 30 Hrs, Friday, 15 May 2026 before raising indent. Meeting agenda shall to discuss technical specifications. The venue of meeting be Foyer room, NCB Ballabgarh. The contact details shall be referred from NCB website (www.ncbindia.com) or contacting (0129) 2666600, mmsb@ncbindia.com.

The meeting shall be held both on offline and online mode. Interested parties may opt any of the option to attend pre indent conference. The parties can submit their interest over mmsb@ncbindia.com or visit our website www.ncbindia.com for further details. The WebEx meeting link shall be informed over website 02 days prior to the meeting.

The images are only illustrative. Indent document(s) to be referred for final technical specifications
